

# DevOps Engineer

**Vienna | Technology | Full-Time**

As a Fintech Startup we are expanding rapidly and hence, we are seeking new, experienced and hands-on team members who think outside of the box (and are not afraid to share their thoughts), will deliver unique ideas and like to work in a fast-paced environment.

At Brickwise we will introduce customers to a new way to invest in real estate and benefit from it like an owner. From buying digital shares, to managing assets and global trading, customers simply get more with Brickwise.

## Your mission

- Maintenance and scaling of our cloud infrastructure
- Implementing automation in the development workflow
- Implementing of CI/CD Pipelines
- Implementing scalable monitoring systems

## About you

- Experience in cloud based Linux Administration
