

Full Stack Developer

Vienna | Technology | Full-Time

As a Fintech Startup we are expanding rapidly and hence, we are seeking new, experienced and hands-on team members who think outside of the box (and are not afraid to share their thoughts), will deliver unique ideas and like to work in a fast-paced environment.

At Brickwise we will introduce customers to a new way to invest in real estate and benefit from it like an owner. From buying digital shares, to managing assets and global trading, customers simply get more with Brickwise.

Your Mission

- Adapt and improve the backend and SaaS modules of the platform
- Work on banking grade software
- Implement new security and automation measures

Your Experience

- Experience in Web and App Development
- Experience with REST APIs
- Experience with NodeJS/Express and other Javascript frameworks
- Experience with GraphQL (Desirable)
- Experience with Docker, Gitlab CI and Google Cloud (Desirable)

Our Offer

- Work in a young and experienced startup environment
- High degree of autonomy
- All the latest tech you need
- Skip the commute and work from home
- Flexible working hours
- Room for personal and professional development
- Competitive gross salary at a minimum of € 51,600 (based on 38,5 h/week). Depending on your qualification and experience we are willing to overpay.
