

Junior Vuejs/React Developer

Vienna | Technology | Full-Time

As a Fintech Startup we are expanding rapidly and therefore, are seeking new, experienced and hands-on team members who think outside of the box (and are not afraid to share their thoughts), will deliver unique ideas and like to work in a fast-paced environment.

Brickwise is the first neo-broker for digital real estate assets that allows customers not only to invest but also to trade their shares with each other at any time via our Marketplace.

Your Mission

- Implement state of the art frontend components
- Work closely with designers and business to define and implement new features in the Frontend Application
- Work on gamification elements

Your Experience

- Startup experience as an early employee or founder
- Experience in UI Design for Web and App
- Experience with Vuejs and/or React
- Excellent knowledge of CSS3 and HTML5

Our Offer

Work and define a product which will impact the association of real estate investments while using the latest technology and frameworks.

- Work in a young and experienced startup environment
- High degree of autonomy
- All the latest tech you need
- Skip the commute and work from home
- Flexible working hours
- Room for personal and professional development
- Competitive gross salary at a minimum of € 35,300 (based on 38,5 h/week). Depending on your qualification and experience we are willing to overpay.

Join Our Team!
