

# Mobile Developer (cross-platform)

**Vienna | Technology | Full-Time**

As a Fintech Startup we are expanding rapidly and hence, we are seeking new, experienced and hands-on team members who think outside of the box (and are not afraid to share their thoughts), will deliver unique ideas and like to work in a fast-paced environment.

At Brickwise we will introduce customers to a new way to invest in real estate and benefit from it like an owner. From buying digital shares, to managing assets and global trading, customers simply get more with Brickwise.

## Your mission

- Build a mobile app version of our platform
- Implement device security
- Work on gamification elements
- Adapt and improve the look and feel of the mobile app

## About you

- Experience in mobile app development
- Experience with cross-platform frameworks (IONIC, cordova)
- Experience with javascript frameworks (Angular, Vuejs)
- Experience in scaling and supporting mobile apps

## Our offer

- Work in a young and experienced startup environment
- High degree of autonomy
- All the latest tech you need
- Skip the commute and work from home
- Flexible working hours
- Room for personal and professional development
- Competitive gross salary at a minimum of € 45,200 (based on 38,5 h/week).  
Our final offer will depend on your skills and experience.

## Sound good? Apply for this position and join our team!

Please include in your application sample code or a link to a specific project/commit on Github which best showcase your experience and skills.

Submit your application and CV (English or German) via email at [hello@brickwise.at](mailto:hello@brickwise.at)
